INSTRUCTIONS TO THE PLAINTIFF

This is your case, and if you are acting as your own attorney, you are responsible in seeing that your claim is successfully presented at each stage of the procedure until it is concluded.

1. You must complete one of these forms for each individual defendant that you sue. Each defendant must be described by his or her correct legal name.
2. To start your case, you must file the completed form with the Court through the Community Discord and pay the \$350.00 in-game filing fee. The Court will stamp a copy for you to show that the case has been filed and will insert the number of the case on the front of this form.
3. The Court will cause service of this matter on the defendant you name. In some cases, the Court may utilize a law enforcement agency to locate the individual in question; and that may incur an additional fee.
4. If the Defendant asks for a trial, you will be notified of the place, medium, date, and time. You must be present or your case will be dismissed. You may take a judgement by default after ten (10) days from the date the defendant receives a copy of this suit and fails to file his/her Answer.
5. If you are awarded a judgement, you are required to seek the enforcement of the judgement. It is not the responsibility of the Court to collect for you. You may contact a Community Administrator through the TyGuys Community Discord, if a judgement is issued to you, to have funds deducted from the defendant's account. You must have a signed order from this Court before any funds may be deducted.
